

**Kanchi Integrated Patasalas - Anniversary Message 2021 Vijayadashami - Thank you for your contributions.**

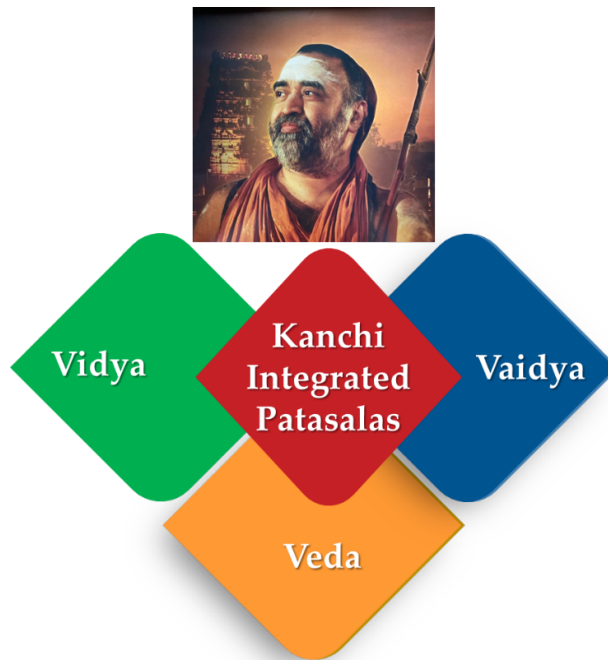

**Shri Gurubhyo Namah**

Namaskarams to all,

One of the Key National initiatives of Kanchi Kamakoti Seva Foundation is the Integrated Patasalas program, started nationally across USA on the auspicious day of Guru Purnima in 2020.

His Holiness PujyaShri Shankara Vijayendra Saraswathi Shankaracharya Swamigal is presently camping at Orirukkai celebrating Navaratri Puja.

On this auspicious Vijayadasami, let us take a moment to remember our tradition and the efforts of our Guru Parampara to preserve and sustain this stream of knowledge (Vidya) for the benefit of every generation.

### **The Integrated Patashala Program**

**Start of the journey:** With the Blessings of HH PujyaShri Sankara Vijayendra Saraswathi Swamigal, the Integrated Patasala Program was announced on the auspicious day of Guru Purnima in 2020. This program provides the opportunity to contribute to the preservation of our Vedic and Cultural Heritage.

**About the program:** For those who are new to this program, Integrated Patasala Program is HH Pujyasri Sankara Vijayendra Saraswathi Swamigal's vision to preserve and sustain the next generation's interest in our great traditions, while also gaining modern education. This residential program includes a curriculum that is well structured for the students. Sampradaya School for Girls has a special mission devoted to imparting rich culture, tradition, and knowledge to the girls.

**Thanks for your contributions:** Since last Vijayadasami, we have raised approximately \$88,000 out of our \$200,000 target.

**Outcomes since last year:** Your contributions came at a critical time to support the Integrated Patasalas when funding was constrained because of Covid 19. We were able to support 80 of the 1000 students (approximately 500 boys and 500 girls).
